Class Description →

# Group Fitness Class Description

**20/20/20:** This class will give you a fun variety from start to finish. Class begins with 20 minutes of athletic-type Zumba, followed by 20 minutes of barre & hand weights, ending with 20 minutes of core.

**2 for 1:** A one-hour class, two workouts, with a combination of cardio and strength!

**Beginner Boot Camp:** This beginner class will get you moving with low-impact exercises that will work your entire body!

**Boot Camp:** This class will give you the push you've been looking for! You will do more in one hour than most do in an entire week, and you will leave class with a sense of accomplishment! Most exercises are fast paced, and will help you build muscle, burn fat, develop core strength and flexibility all while increasing your cardiovascular ability. **Intermediate/advanced fitness level.**

**Butts N' Guts:** Tone and shape your backside while strengthening and sculpting your abs... need we say more? Some cardio training mixed in.

**Core De Force:** CORE DE FORCE is a MMA (mixed martial arts) -inspired workout with exhilarating Boxing, Kickboxing, and Muay Thai (stand-up striking) combinations with fat-blasting cardio and bodyweight moves to help you zero in on stubborn belly fat and carve all-over definition.

**Cycling:** Ride from the shoreline to the hills in this journey that is designed to provide you with the optimum in fat burning and strength building. This ride will simulate varied terrain to give you a great interval workout. This class is for the beginners as well as seasoned cyclists! Water and towel is a MUST!

**Cycle and Core:** Take a 40-minute ride in this journey that is designed to provide you with the optimum in fat burning and strength building. Class ends with core exercises.

**Cycling for the Ages:** This class is designed for those that want a low intensity cycling workout. Rides will feature shorter intervals, lower range of resistance and great music!

**DrumCore:** A high-energy, full body workout, using drumsticks to the beat of the music! Try out this fun, fat-burning, class!

**Full Body Circuit:** This circuit-style class incorporates strength and cardio into one high-impact workout. You will target all muscle groups for a full body training session. Be ready to break a sweat!

**Functional Fitness:** This class encompasses everyday movements, focusing strength, range of motion, core, and flexibility.

**Gentle Yoga:** Yoga for all fitness levels to help unite the mind, breath and body. This class will be set up to challenge you but will leave you feeling relaxed and grounded. Perfect way to end a Monday night!

**Hoop:** Hoop Dancing is a fun and creative way to work out your body and mind. It is considered a "flow art" which is the combination of creative movements such as dancing and the manipulation of an object, in this case a hula hoop. In class will be working on three main categories tricks, transitions, and technique.

**Intermediate Water Aerobics:** Join Wendy in the water and discover how water resistance can elevate heart rate, increase strength and endurance and give you a great workout. Non-swimmers welcome.

**Morning Splash:** The title may be a bit misleading as there will be no head dunking or swimming skills required in this class. However, there will be aerobic activity in the form of running, jumping, or walking. Exercise weights and water's natural resistance will help tone and increase your strength without strain and pain.

**PiYo LIVE:** PiYo LIVE is a Pilates and yoga inspired workout. Using your own body-weight you perform a series of continuous fluid, yet low impact, moves to help form a sculpted and strong body. This one-hour class will pass quickly thanks to the popular music and variety of movements.

**Step Aerobics:** Come and join us for this great classic workout. New choreography is taught at the beginning of class as part of the warm-up and then it is time to work hard and have fun! Abs are always a part of this class near the end.

**Trim-N-Tone:** Join this strength training and cardio workout for a full body burn!

**Water Aerobics:** Get a great upper and lower body workout using fifty different exercises. We will be using water jugs and your own body weight. No experience is required.

**Yoga:** This hour-long class starts with a core work out to strengthen and yoga to center our breathing, gain flexibility and balance.

**YogaBarre:** Get a full-body buzz here at our barre! Feel the burn in YogaBarre, a class packed with yoga, weights and barre exercises. With great playlists, added heart and a variety of moves, our version of happy hour shows how small movements result in big changes!
