GROUP FITNESS DESCRIPTIONS

20/20/20: This is a full body workout! Class starts with Zumba followed by toning/strengthening with hand weights, body weight, bands, ab work on the mat and ending with a relaxing stretch. All levels welcome! .

Aqua Zumba: The get fit pool party! Aqua Zumba brings new meaning to the idea of an invigorating workout. It combines the South American Zumba rhythm and dance steps with a pool party. It offers a fun but challenging, water-based, body-tonight workout!

Beginner Core & Stretch: Get down on the mat for this 40-minute workout focusing on strengthening your core and ending with a full body stretch. **Must be able to get up and down from the floor.**

Beginner Boot Camp: Combines cardio, strength training and mobility. Challenge your body through timed intervals of free weights, bands and your own body weight.

Circuit PLUS: This class will give you variety while hitting each muscle group! We will work with dumbbells, TRX, slam balls, battle ropes and our own body weight. All levels welcome!

Cycle 30: Power through this quick, HIIT-style cycling class! We will pedal it out to awesome music, get sweaty and have some fun!

Dance Fitness: This class combines strengthening routines with cardio dance fitness. Improve your balance, flexibility, and stamina, while moving to a variety of rhythms in an upbeat atmosphere.

Deep Water: Cardiovascular workout without impact on the joints! The water buoyancy supports your weight and moving through the water provides resistance and strengthening of the muscles. You do not need to know how to swim to enjoy this class!

Express Core Conditioning: Whether you are looking to tone up your midsection, improve posture, improve muscle imbalances, or just look great in warmer weather, this 30-minute express class is for you. Focus is added on a variety of exercises to engage not just your abs, but the entire core!

Feel Good Friday: We will focus on corrective exercise, regaining mobility, and enhancing movement patterns. This low impact class focuses on ensuring you and your body feel better by time you leave.

Fierce Fit Kids: A fitness-focused class for those who want to combine the health benefits of a traditional kickboxing class without any of the bruises or downsides to traditional kickboxing.

Fight Camp: This class blends traditional strength training and cardio mixed with kickboxing and martial arts techniques to get you an outstanding workout and effective stress relief. ****This is a non-contact class and there will be NO sparring****

Full Body Sculpt: Weight Training class using dumbbells and bodyweight that targets the entire body, with core and cardio interspersed.

Gentle Stretch: Join Hatie for a low-to-the-ground stretch sesh. Expect slow movements and multiple options for all poses. You'll leave feeling loose, relaxed, and ready to try some new stretches at home!

Gentle Yoga for Ease of Movement: We will focus on slow, mindful movements that increase conscious awareness of the whole body. This somatic yoga practice helps to re-educate muscles, release tension, manage chronic pain and improve mobility. Restore your connection with your body so you can do what you love with ease!

Metcon: Metcon combines cardio and strength, as well as anaerobic and aerobic movements to challenge your current fitness level and maximize energy production. We will use dumbbells, resistance bands, kettlebells and more. ALL FITNESS LEVELS WELCOME.

Mini Movers: Join this FUN class that will focus on stability, balance, fun games and exercises. Parental attendance is required.

Mobility & Flow: Improve range of motion, flexibility, and posture in a class that blends functional movements with a flow of yoga postures. All levels and abilities.

Morning Splash: The title may be a bit misleading as there will be no head dunking or swimming skills required in this class. However, there will be aerobic activity in the form of running, jumping, or walking. Exercise weights and water's natural resistance will help tone and increase your strength without strain and pain. There is an additional 15-minutes Water Walk in the Lazy River on Wednesdays after the hour-long class!

Sippin' on Stillness: 30-minute guided meditation, followed by a Pumpkin Spice Latte recipe demonstration in the Hub Kitchen. 1 latte included!

Superhero Camp: Unleash your inner superhero! Complete different stations where you will bounce, throw and kick your way through an imaginary gallery of bad guys! Superhero cap provided!

Suspension Training: Build strength, improve balance, and engage your core with this full-body suspension trainer class! Using just your body weight, we'll work through scalable exercises that target all major muscle groups while boosting flexibility and endurance.

Vinyasa Power Yoga: Vinyasa Power Yoga is an athletic class taught in the style of Baptiste yoga. The focus of this class will be on breath and building strength, and class will end with deep rest. Pose modifications will be taught for all levels.

Walk & Yoga: Meet us at the front entrance of the LCC for an all-levels yoga sesh, followed by a guided walking meditation around the Lunda Park.

Water Aerobics: Get a great upper and lower body workout using fifty different exercises. We will be using water jugs and your own body weight. No experience is required.

Yin Yoga: A practice of deep stretching that targets the fascia, connective tissue that runs throughout the body. Do not attend if pregnant or recently postpartum, or with any cut injuries.

Yogalates: Combination of yoga and Pilates, designed to enhance flexibility, core strength and mindfulness. Low impact.

Yoga Kids: Join this fun, interactive yoga class for ages 2-4 years! Parents required to attend.

Zumba Gold: Active Older adults who are looking for a modified ZUMBA class that recreates the original moves you love at a lower intensity. The design of the class introduces easy to follow ZUMBA choreography that focuses on balance, range of motion and coordination. Can be done in a chair.
